

AMANDA CLARK SCHOLARSHIP

THIS SCHOLARSHIP PROGRAM WAS CREATED IN MEMORY OF GENTEX EMPLOYEE AMANDA CLARK.

Amanda earned a manufacturing engineering and management degree from Kettering University. She was also a mother who raised four daughters with her husband Mike.

AMANDA CLARK

PURPOSE

Gentex created the Amanda Clark Scholarship to recognize and encourage female high school students in West Michigan who are pursuing a science, technology, engineering, or mathematics (STEM) degree at a four-year college or university.

AWARD COMPONENTS

The scholarship will be awarded to female high school seniors in West Michigan. Recipients are eligible to receive a \$5,000 scholarship that can be renewed up to three years. The scholarship will be paid to the recipient's college each calendar year if eligibility requirements are met.

ELIGIBILITY REQUIREMENTS

1. Applicant must be a female high school senior located in West Michigan.
2. Applicant must be pursuing a degree in science, technology, engineering and math at a four-year college or university.
3. Applicant must have a cumulative GPA of 2.6 or greater.

APPLICATION PROCESS

Fill out an application form at www.gentexfoundation.org/scholarship.

Applicant must submit the following items:

1. Applicant will provide a short personal essay (500 words or less) about why they are interested in a career in science, technology, engineering, or mathematics and a description of future goals after college graduation.
2. Submit high school transcript
3. Submit two letters of recommendation

Deadline for application is January 20, 2023. Applications submitted after this date will not be considered.
